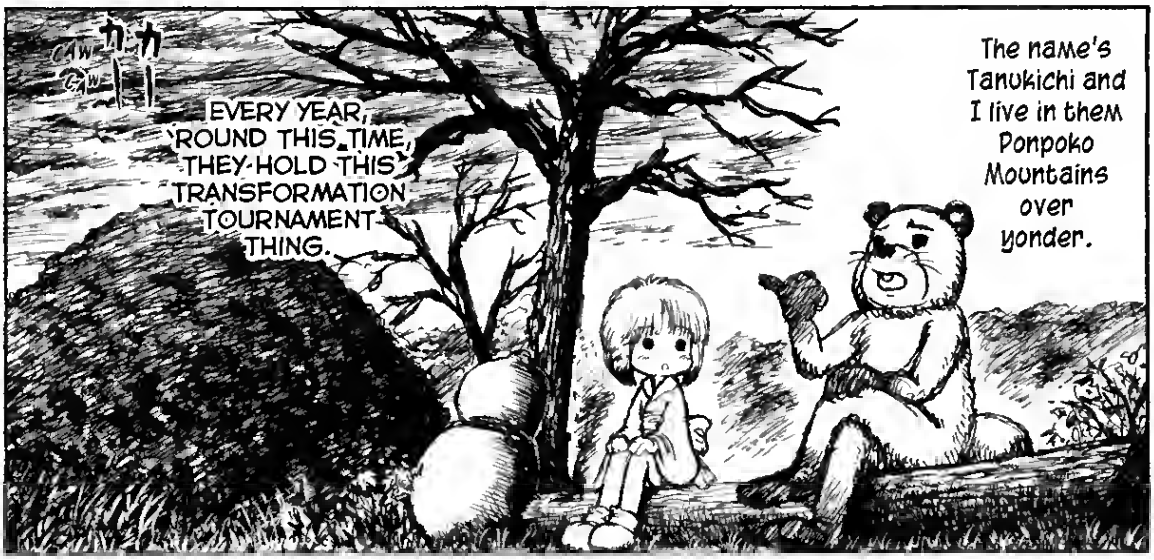
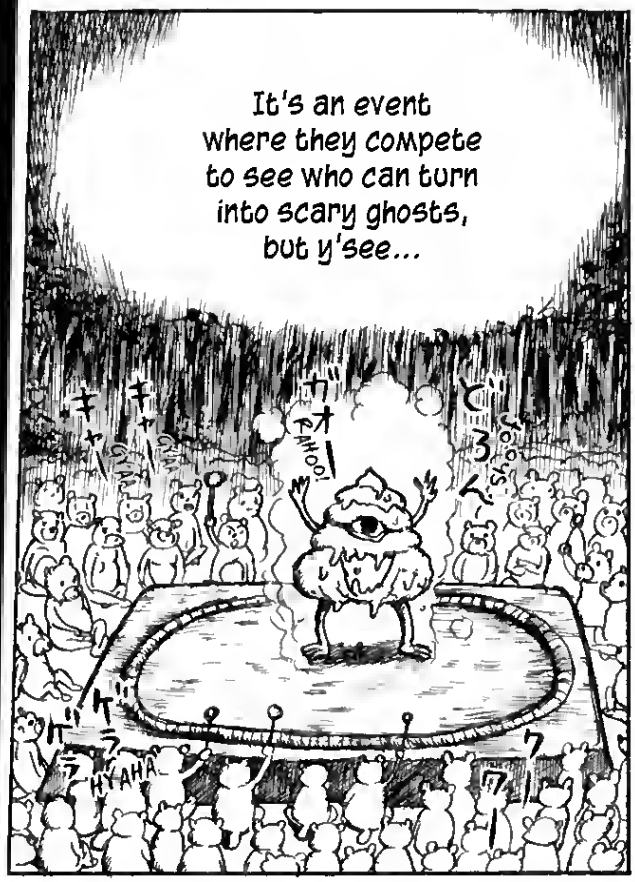
There's no point in living, but I don't wanna die either! What should I do?
Boo hoo hoo!

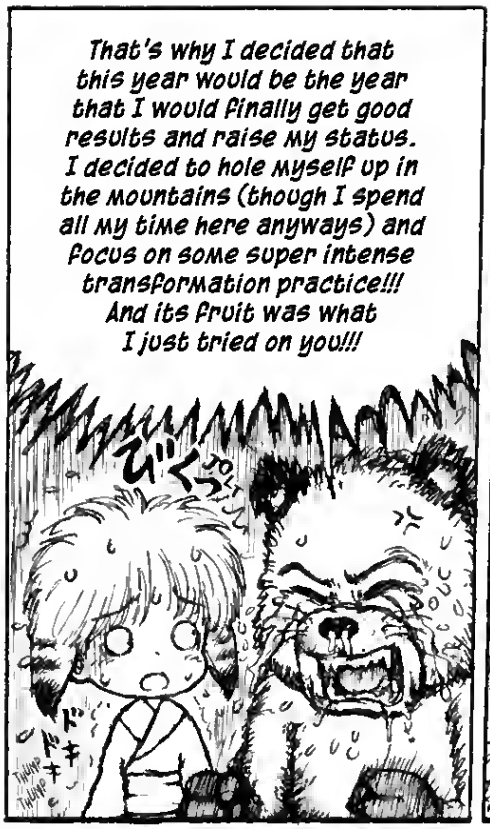


カ・カ
EVERY YEAR, 'ROUND THIS TIME, THEY HOLD THIS TRANSFORMATION TOURNAMENT THING.
The name's Tanukichi and I live in them Ponpoko Mountains over yonder.

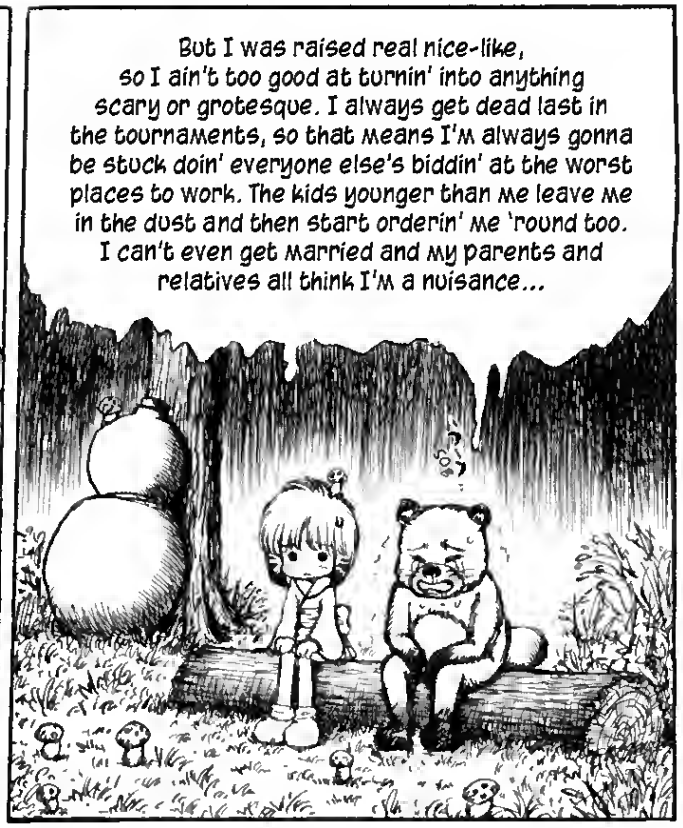
In this tanuki society we've got going, the spookier the ghost you can change into, the higher your status will be. So the result that you get at the tournament also decides your placement in the pecking order.



It's an event where they compete to see who can turn into scary ghosts, but y'see...
GAOOH!
HYAHA



That's why I decided that this year would be the year that I would finally get good results and raise my status. I decided to hole myself up in the mountains (though I spend all my time here anyways) and focus on some super intense transformation practice!!! And its fruit was what I just tried on you!!!
THUMP THUMP



But I was raised real nice-like, so I ain't too good at turnin' into anything scary or grotesque. I always get dead last in the tournaments, so that means I'm always gonna be stuck doin' everyone else's biddin' at the worst places to work. The kids younger than me leave me in the dust and then start orderin' me 'round too. I can't even get married and my parents and relatives all think I'm a nuisance...

What do you see? Ghosts? Demons?
HUH!? YOU SEE THEM ALL THE TIME?
It's not your fault that you couldn't scare me, Tanukichi-san!! I may not look it, but I'm actually very difficult to scare. It's because I'm used to seeing scary things, since I see them all the time.
Wahh, please don't be so rash!!
DAMMIT! BUT I CAN'T EVEN SCARE A WIMPY LOOKIN' KID LIKE YOU! I'M A FAILURE AS A TANUKI! YUP, I REALLY SHOULD JUST KILL MYSELF!
BASH
...
Yes, it does!!! I was talking about My Master! She might technically be human, but honestly she's pretty much a monster!!!
W-what are you talking about? Does something like that exist?
Something way scarier than either of those.
Oh... No, not ghosts or demons.
t-the one standing right behind you?
?
I--is the person that you're talking about...
